

BioTracking will be closed on Monday, September 4, for Labor Day and therefore will not be processing or accepting any sample deliveries on this day. See the testing schedule below for the week of Monday, September 4 to Friday, September 8. Please contact BioTracking, Inc. at (208) 882-9736 if you have any questions regarding the schedule or the deadlines by which samples must arrive for testing. Thank you.

Testing Week: Monday, September 4 to Friday, September 8

Test	Samples must arrive on or prior to the following day and/or time in order to be run on the upcoming test:	Monday September 4		Tuesday September 5		Wednesday September 6		Thursday September 7		Friday September 8
