

BioTracking will be closed on Monday, December 31 and Tuesday, January 1 for New Year's Eve and New Year's Day and therefore will not be processing or accepting any sample deliveries on these days. See the testing schedule below for the week of Monday, December 31 to Friday, January 4. Please contact BioTracking, Inc. at (208) 882-9736 if you have any questions regarding the schedule or the deadlines by which samples must arrive for testing. Thank you and have a Happy New Year!

Testing Week: Monday, December 31 to Friday, January 4

Test	Samples must arrive on or prior to the following day and/or time in order to be run on the upcoming test:	Monday December 31		Tuesday January 1		Wednesday January 2		Thursday January 3		Friday January 4
